PRODUCTS AND SOURCES

Products and potential sources are listed for informational purposes only. We are neither endorsing nor recommending that you use any of the listed products or sources of these products. We realize that in most cases there are many products and sources that can meet your needs. Therefore, we remind you to always follow the Nonappropriated Fund (NAF) procurement procedures found in AR 215-4, and pay close attention to the rules concerning obtaining adequate competition. Also, consult with your NAF contracting office whenever you have questions concerning the NAF procurement process.
